Godt jobbet!

Nå er monteringen av motoren fullført, og du bør nå gå tilbake til håndboken for båndsg bruket og fortsette med innstillingsrekkefølgen i henhold til instruksjonene nedenfor.

INNSTILLINGSREKKEFØLGE

Les gjennom hele innstillingsanvisningen før du starter innstillingen, og følg deretter anvisningen trinn for trinn under innstillingen.

VIKTIG!

For å sikre at sagbruket fungerer som det skal, er det viktig å justere inn saghodet før start for at det skal gi tilfredsstillende sageresultat. Følg innstillingsrekkefølgen nøye! Enkelte justeringer påvirker andre maskininnstillinger.
